

Get ready for your holiday in Italy in just a couple of days. Visit Italy and learn Italian. NCL organizes accelerated Italian courses in Ivrea, near Turin and Milan, to develop your practical language skills. If you are entering Italy from Switzerland using the Gran San Bernard pass or tunnel, consider the possibility of stopping off in Ivrea for a short Italian language course.

In a couple of days you can learn the fundamentals of Italian – how to introduce yourself, ask for directions, go shopping, go to the restaurant, reserve a room – and understand the basics of the country's social customs.

It will be a pleasant way to start your holiday in Italy and make your trip as enjoyable as possible.

Ivrea is a small, friendly city welcoming you at the foot of the Western Alps. Surrounded by gentle hills and green valleys, the city and its surroundings are a beautiful corner of Piedmont that holds a huge variety of naturalistic, historic and culinary attractions.

We will be glad to assist you in finding suitable accommodation and to give you some advice for your free time.
